MISSOURI DEPARTMENT OF NATURAL RESOURCES HAZARDOUS WASTE PROGRAM

CONSENT FOR ACCESS TO PROPERTY AGREEMENT

I, as owner/authorized representative of (site name) authorize officers, employees, authorized representatives and persons acting at the request of the Missouri Department of Natural Resources to enter and have access to the above named property at the stated location for the following purposes:

- The on-site observation and oversight of environmental investigation and remediation activities.
- The detection of surface or subsurface hazardous substances and subsequent marking or otherwise identifying on-site locations of any such hazardous substances detected.
- The drilling of holes for subsurface investigation including the use of drilling rigs.
- · The taking of such waste, soil, water and air samples as may be necessary.
- Other actions related to the investigation of surface or subsurface contamination.

This consent shall expire upon the department's issuance of a summary letter for this assessment for this site. This consent shall not be construed as or deemed to be an admission of any fact, responsibility, fault or liability in connection with the site. The site owner shall hold the department harmless from any claims (including, but not limited to, property damage or personal injury) arising from activities reviewed or overseen by the department under this agreement.
